

INDEX TO VOLUME XI

Compiled by
W. E. BICKLEY

SUBJECT INDEX

ABSTRACTS

- see Reviews and Abstracts
- Aedes vexans*
 - control and land reclamation, 151
- Agencies for mosquito control in U. S., 8
- Alaska
 - mosquitoes, punkies and black flies in, 209
 - seasonal incidence in Upper Cook Inlet, 213
 - snipe flies (*Symphoromyia*) in, 32
- Allethrin
 - toxicity to mosquitoes, 99
- Anopheles franciscanus*
 - adult behavior in Calif., 23
- Army installations
 - mosquito control at, 92
- Army operations and insect control, 133
- Association News, 53-55, 108-109, 224, 235
- Behavior of *Anopheles franciscanus* adults in Calif., 23
- Bibliography
 - see Literature
- Biological effects of DDT on salt marshes, 67
- Black flies
 - in Alaska, 209
- Black fly control by aerial sprays, 75
- Black fly larvae
 - control by helicopter spraying, 95
- Bureau of Entomology and Plant Quarantine
 - research on mosquitoes by, 84
- California
 - Anopheles franciscanus* in, 23
 - Clear Lake gnat control in, 161
 - Hippelates* control in, 102
 - mosquito control in, 169
 - mosquito investigations in, 145
 - reclaiming riverbottom land in, 151
- Civil defense
 - role of insects in, 121
- Clear Lake gnat control, 161
- Conflict with *Culex*, 128
- Control of Clear Lake gnat, 161
- Control of *Hippelates* spp., 102
- Communicable Disease Center
 - mosquito control activities of, 122
- Community-wide mosquito control, 149
- Culex*
 - conflict with, 128
- Culicoides* in Panama Canal Zone, 202
- Culiseta incidens*, 33
- DDT aerial sprays for control of mosquitoes and black flies, 75
- DDT to control black fly larvae, 95
- DDT on tidal salt marshes
 - biological effects of, 67
- Distribution records of mosquitoes
 - in Alaska, 209, 213
 - in Pacific Islands, 169
 - in West Texas, 41
 - in Wyoming, 163
- Economic significance of mosquito-like pests, 141
- Editorials, 51, 182
- Entomological aspects of a flood emergency, 94
- Entomology and Plant Quarantine
 - Bureau of, 84
- Evolution of mosquitoes, 128
- Eye gnats, 102, 219
- Fish and wildlife in salt marsh
 - effect of DDT on, 67
- Flood emergency
 - entomological aspects, 94
- Florida
 - mosquito control in, 167
- Freeborn, Stanley B., 184
- Helicopter spraying against black fly larvae, 95
- Hippelates*
 - control, 102
 - tagging for flight range studies, 219
- Insect control in army operations, 133
- Insecticides for mosquito control in Calif., 89
- Insects and civil defense, 121
- Labrador
 - aerial spraying in, 75
- Larvicides
 - chlordane emulsion, 156
 - laboratory screening of, 33
 - oil emulsions, 197
 - organic insecticides, 171
- Literature for mosquito control workers, 59, 113, 189, 228
- Malaria
 - world campaign against, 1
- Malaria control by Tennessee Valley Authority, 136
- Maryland
 - mosquito control in, 170
- Midges in Mass., 141
- Mosquito control
 - activities in different states, 167
 - agencies in U. S., 8
 - at Army installations, 92
 - by Communicable Disease Center, 122

community-wide, 149
 DDT aerial sprays, 75
 insecticides used in Calif., 89
 in Portland, Ore., 158
 techniques against *Hippelates*, 102
 for tree-men and pest control operators, 39
 after Winniepeg flood, 153
 in Wyoming, 163
 Mosquito distribution records
 see Distribution records of mosquitoes
 Mosquito investigations in Calif., 145
 Mosquito-like pests, 141
 Mosquito pupae
 sexual dimorphism in, 175
 Mosquitoes
 seasonal incidence in Upper Cook Inlet, Alaska,
 213
 Mosquitoes, punkies and black flies in Alaska, 209
 Nassau County, N. Y.
 mosquito control in, 170
 new type larvicide, 156
 Navy research and control operations, 125
 New Jersey
 mosquito control in, 168
 New Jersey Mosquito Extermination Association,
 169
 News and Notes, (see also Reviews and Abstracts)
 48-50, 109-110, 178-181, 220-223
 North Dakota
 mosquito control in, 149
 Obituaries
 Charles Franklin Craig, 52
 Harry Martindale Speechly, 177
 Oil emulsions against larvae and pupae, 197
 Operational investigations of mosquitoes in Calif.,
 145
 Organic insecticides against anopheline larvae, 171
 Pacific Islands
 mosquito survey of, 169
 Panama
 Culicoides in, 202
 Pennsylvania
 mosquito control in, 170
 Pest control operators
 mosquito control for, 39
 Plant feeding habits of northern mosquitoes, 217
 Portland, Ore.
 mosquito control in, 158
 Presidential addresses
 Spencer S. Fuller, 108
 Lester W. Smith, 108
 Punkies
 in Alaska, 209
 Pupae of mosquitoes
 sexual dimorphism in, 175
 Pyrethrins and allethrin, 99
 Radioisotopes
 in studying plant feeding habits of northern
 mosquitoes, 217
 Reclaiming riverbottom land
 in the Lodi, Calif. area, 151

 Mosquito behavior in native huts in Uganda,
 185
 Mosquito control by aircraft in sub-Arctic
 Canada, 225
 Mosquito fauna of Japan and Korea, 59
 Mosquito larvae for bioassay, 186
 Mosquito records from Utah, 112

INDEX TO VOLUME XI

- Mosquitoes of California, 185
 Mosquitoes of Great Whale River, Quebec, 111
 Mosquitoes in Taiwan, Formosa, 186
 Nutrition of *Aedes aegypti*, 112
 Pellet-borne insecticides for mosquito control, 185
Plasmodium relictum transmitted by *Anopheles freeborni*, 112
 Pupae of culicine mosquitoes of northeastern U. S., 226
 Radioactive phosphorus
 treatment of mosquito larvae and adults, 111
 Repellents against *Anopheles* spp., 225
 Residual insecticides in malaria control, 187
 Rice field mosquito control, 185
 Salt Lake City mosquito abatement, 188
Simulium arcticum Mall., 225
 Swarming habits of mosquitoes, 227
 Trinidad malaria report, 187
 Vegetation and arctic mosquitoes, 185
 Yellow fever virus and *Aedes*, 57
- Screening of larvicides, 33
 Sexual dimorphism in mosquito pupae, 175
 State mosquito control activities, 167
 State mosquito control associations, 169
- Snipe flies in Alaska, 32
 Storing adult mosquitoes, 74
Symphoromyia in Alaska, 32
- Tagging *Hippelates* in flight range studies, 219
 Tennessee Valley Authority
 malaria control program, 136
 Texas
 distribution of mosquitoes in, 41
 Tree-men
 mosquito control for, 39
 Toxicity of allethrin and pyrethrins, 99
 Toxicity of oil emulsions, 197
- Virginia
 mosquito control in, 167
- Who's who, 184
 Winnipeg flood
 mosquito control after, 153
 World campaign against malaria, 1
 Wyoming
 mosquitoes and control in, 163
